Reflection of vision and mission of the institution

Our College was established as the follow up of an effort to set up higher education institution with Proper fee structure at the gradually emerging town of Shahada.

Maintaining its singularity as the unique Women's College in the district having BA & BCA of SNTD WU, Mumbai.

The institution envisions to include and empower students from various sections of the society and also from remote rural and tribal areas.

Our mission is to support all students with the best education possible, inspiring values to go forth into the world as good human beings.

Our College has gradually emerged as a premier learning center for women's education in the Nandurbar district.

Our College creates values for the contribution of all stakeholders in the functioning of the college.

Governing Body, College Development Committee, and IQAC are the working groups that are contributing to strategy, plan, and implementation.

Feedback collected from the stakeholders is analyzed and considered in the decisions taken for the institution's continual march towards improvement.
